

# PLAN MANAGEMENT

*"Promoting independence through our inclusive NDIS Plan Management that empowers people with disability"*

## MFT DISABILITY INSURANCE SERVICES

MFT has had ample exposure to the disability sector, with family and friends who have battled with disabilities. MFT was formed with the aim of cutting through a lot of the organizational and administrative bottlenecks experienced by clients who have dealt with some of the larger institutional Plan Managers. We are a Family based business, whose principal focus is to offer families a friendly, caring, efficient and timely range of services, with the minimum of fuss.
